

REMARKS

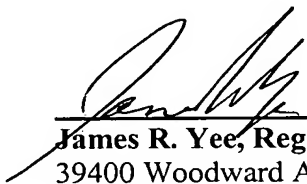

The present application is a continuation application of U.S. Patent Application Serial No. 10/360,179, filed February 7, 2003, now U.S. Patent No. (N/A) which is a divisional application of U.S. Patent Application Serial No. 09/732,673, filed December 8, 2000, now U.S. Patent No. 6,536,844. By this amendment, claims 1-26 are cancelled without prejudice and new claims 27-40 have been added. The claims remaining in consideration are claims 37-40.

An early Notice of Allowance is solicited.

Respectfully submitted,

HOWARD & HOWARD ATTORNEYS, P.C.
